AMO e lino is a new pizza bar at Limmatplatz, where guests can enjoy delicious Italian culinary creations, an array of drinks and great beats.

At the new pizza bar Amo e lino at Limmatplatz, guests can enjoy simple lunches, after-work gatherings or get-togethers with friends over delicious pizza, crispy puccia or refreshing drinks. The culinary Italian creations are complemented by electronic beats by Swiss DJ Carol Fernandez and Friends.

### Una Pizza Bar Per Tutti

Amo e lino caters to everyone – whether it is an aperitif with friends, a relaxed lunch meeting or after-work drinks. The pizza bar offers a fine selection of new creations and Italian classics. Innovative pucce, crispy pizzas or delightful antipasti piatti are complemented by refreshing drinks and selected wines.

### Viva la Dualità

Amo e lino aligns with the saying “opposites attract,” as opposites complement each other: traditional and innovative, elegant and humorous, urban and fresh, crispy and soft. With its simple style, fine drinks, and authentic snacks, the pizza bar embodies the Italian way of life. High-quality original products serve as fantastic ingredients, setting the tone at AMO e lino. Bringing together Italian authenticity and inspiring new ideas in their culinary creations is their passion. With a lot of felicità in their hearts and a pinch of cuore matto, the AMO e lino team welcomes its guests into the relaxed feel-good atmosphere—because at AMO e lino, life is celebrated.

### Se Bastasse una Canzone

Alongside the culinary highlights, AMO e lino offers great beats by Swiss DJ Carol Fernandez, creating a relaxed atmosphere at the pizza bar. Carol Fernandez and Friends hit the mixing desk every Wednesday evening from 5:30 pm, delivering live music to enhance the experience.
